2018, ISSUE 2

7TH JUNE 2018

President's Piece

Winter is here and the anticipation builds as we wait for that first big dump of snow to start the cross country ski season. The start of June also means that memberships are now due for renewal. If you haven't already renewed your membership for 2018 please do

so ASAP. This will ensure that you continue to receive newsletters, updates and access to the members only section of our website.

We had a great turnout for our social meeting on 23 May. Club members Ken

Moylan, Alan Levy and Gale Funston shared their experiences competing in the World Loppet ski racing circuit in Europe, with beautiful photos and epic tales of endurance, plus a little bit of culture and history.

Indoor skiing in Canberra! A company called Vertikal have opened an indoor ski slope at Fyshwick. Vertikal claim that their indoor slope can be used for cross country training (including Tele-mark and 'uphill' training). They have invited club members to attend a free demonstration, put on especially for us, on Monday 18 June from 6-7 pm at Unit 11, Building 3, 1 Dairy Rd.

Lodge weekends: There are

still some vacancies for the July lodge weekends. Book soon to reserve a spot.

Kosciuszko Tour ski race. Planning is well underway for the club's own Kosciuszko Tour race on August 2018. Race organiser Rowan Christie is looking for volunteers who may be able to help out either before the race or on the day. If you are interested, please contact Rowan or myself for more information.

The next social meeting is on Wednesday 13 June. Di Thompson from National Parks Association will give a talk on a very topical (and controversial) issue, the impact of feral horses in the fragile country of Kosciuszko National Park. Hope you can join us for what promises to be a very interesting evening.

THE COURSE

Course - The Kosciuszko Tour will, weather and snow conditions permitting, start from Perisher and follow alongside the Kosciuszko Road to the lookout at the top of Charlotte Pass. It will then cross Johnnies Plain before climbing the Porcupine to finish at the Perisher Nordic Shelter, a distance of some 20 km.

Changes - The exact course on the day will be advised at Perisher Nordic Shelter and the Start.

Tracks - A classic track and freestyle track will be set and marked with flags where possible.

The Kosciuszko Tour is open to both Classic and Freestyle (Skating) skiers. Freestyle skiers will start 15 minutes after the classic skiers. Any skier who starts with the Classic technique group and is observed skating will be disqualified.

If the weather conditions are poor, entrants may be required to carry a small pack of safety equipment including an all weather jacket, extra clothing, and drink and food.

There will be drink stations on the course, but it is recommended that entrants carry additional water especially if the weather is mild and sunny.

Other skiers also use these trails. Skiers must ensure that they ski in control at all times to minimise risk of collisions and injury. In sunny weather use sunscreen, sunglasses and carry sufficient water.

If the weather deteriorates ski together and help each other as much as possible. If you come across another entrant in difficulty or distress, assist and/or report to the nearest official on skidoo or at a first aid/drink station, giving a bib number, problem outline and location.

Bibs/transponders will be accounted for at the Finish and a missing bib/transponder may initiate a search at your expense.

Social Club Meetings 2018 (All Welcome)

Wednesday 13 June 2018

Still Hammered by Hooves

Guest Speaker: Dianne (Di) Thompson

The Alpine (Vic) and Kosciuszko National Parks continue to be beaten by the impacts of the hooves and eating habits of introduced animals – feral horses, deer, pigs, etc. Recently a few National Park Association members, after a five-year gap, revisited the source of the Murray River and Cowombat Flat. Unfortunately these areas have deteriorated further, primarily from feral horses. Similar but different damage on the Tantangara Plain, an occasional skiing and past walking area. What might the point of no return be? What is the cost? Where are the grasslands and our native macropods? Catchments and water quality and quantity. Managed herds – where? Why are Namadgi's ecosystems in such good health?

Wednesday 27 June 2018

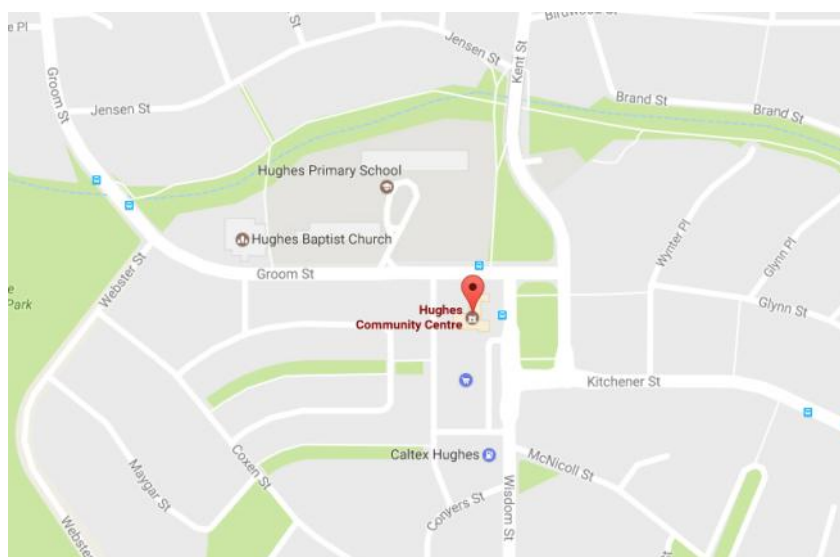

From Pintubi St to Jagungal (Aboriginal placenames in the snowfields and thereabouts)

Guest Speaker: John Giacon

There are a number of Aboriginal placenames in the snowfields, but even more on the roads to the snow. We will look at:

- the shape of Aboriginal words, including placenames
- a list of names from this area that are, or very likely are, of Aboriginal origin
- the few names in the list whose meaning is known
- some placenames from other areas

John Giacon researches and teaches Gamilaraay, a language from around Tamworth/Moree/Gunnedah.

Meetings are held at the Hughes Community Centre, Hughes Place, Hughes, Canberra, Canberra on the 2nd and 4th Wednesday of every month from mid May to October. Door opens at 7.30 pm for 7.45 pm start. Light refreshments will be provided.
